

## AT4X100VEPB | Multimeter, megger en isolatietester

### Description:

- Technical characteristics: - Isolation tester up to 4,000 Mohm at 250 V, 500 V, 1000 V. - AC / DC voltmeter: 0 to 600 V. - AC / DC ammeter: 0 to 400 mA. - Compatible with clip-on ammeters 711A.P500. - Ohmmeter: 0 to 40 MOhm. - Frequency meter, continuity tester, diode tester.[nl]
- Leak current detection.[nl]
- Suited to hybrid and electric vehicles.[nl]
- Protection cover included.[nl]
